NUBURU, INC.

This prospectus supplement is being filed to update and supplement the information contained in the prospectus dated April 17, 2023 (as supplemented from time to time, the “Prospectus”), with the information contained in the Current Report on Form 8-K, filed by Nuburu, Inc. (the “Company”) with the Securities and Exchange Commission (“SEC”) on August 23, 2023 (the “Form 8-K”), other than any information which was furnished and not filed with the SEC. Accordingly, we have attached the Form 8-K to this prospectus supplement. The Prospectus relates to the issuance of up to 16,710,785 shares of the Company’s common stock, par value \$0.0001 per share (“Common Stock”), issuable upon the exercise of warrants, consisting of up to 16,710,785 warrants (the “Public Warrants”), each of which is exercisable at a price of \$11.50 per share, originally issued as part of units in the Company’s initial public offering (the “Public Warrant Shares”), and the registration for resale of (i) up to 36,629,724 shares of Common Stock (including up to (a) 30,298,320 shares held by certain former stockholders of Nuburu Subsidiary, Inc. (formerly known as Nuburu, Inc.) (“Legacy Nuburu”), including the Company’s officers and directors (the “Business Combination Shares”), (b) 515,394 shares underlying restricted stock units issued to an officer of the Company (the “Equity Award Shares”), (c) 950,000 shares held by Tailwind Sponsor LLC (the “Sponsor”) and 200,000 shares held by the Sponsor’s permitted transferees (collectively, the “Private Shares”), (d) 195,452 shares issued in a private placement to a certain Selling Securityholder (the “Private Placement Common Shares”), and (e) 4,470,558 shares issuable to certain Selling Securityholders upon the conversion of shares of the Company’s Series A preferred stock, par value \$0.0001 per share (“Preferred Stock”) (the “Underlying Common Shares”) and (ii) up to 2,235,279 shares of Preferred Stock.

This prospectus supplement updates and supplements the information in the Prospectus and is not complete without, and may not be delivered or utilized except in combination with, the Prospectus, including any amendments or supplements thereto. This prospectus supplement should be read in conjunction with the Prospectus and if there is any inconsistency between the information in the Prospectus and this prospectus supplement, you should rely on the information in this prospectus supplement.

Our Common Stock is traded on the NYSE American under the symbol “BURU.” Our Public Warrants are traded on the NYSE American under the symbol “BURU WS.” On August 23, 2023, the last quoted sale price for our Common Stock as reported on the NYSE American was \$0.46 per share and the last reported sale price of our Public Warrants was \$0.0271 per warrant. We have not listed, nor do we intend to list, our Preferred Stock on any securities exchange or nationally recognized trading system.

We are a “smaller reporting company” and an “emerging growth company,” as defined under the federal securities laws, and, as such, may elect to comply with certain reduced public company reporting requirements for future filings.

Investing in our securities involves a high degree of risk. Before buying any securities, you should carefully read the discussion of the risks of investing in our securities in the section titled “Risk Factors” beginning on page 9 of the Prospectus, as well as any updates to such risk factors included in any supplements and amendments thereto.

Appointment of Director

On August 22, 2023, the Board of Directors (the "Board") of Nuburu, Inc. (the "Company") approved an increase in the size of the Board from six to seven directors and appointed John Bolton to the Board. Mr. Bolton will serve as a Class I director with an initial term expiring at the Company's 2026 Annual Meeting of Shareholders or upon his earlier death, resignation or removal. Additionally, the Board has also appointed Mr. Bolton to serve on the Audit Committee and the Nominating and Corporate Governance Committee of the Board.

Mr. Bolton is an attorney, diplomat, consultant and political commentator. He was the National Security Advisor to former President Donald Trump and served as the United States Ambassador to the United Nations from 2005 to 2006. He has spent many years of his career in public service and held high-level positions in the Administrations of Presidents Ronald Reagan, George H. W. Bush and George W. Bush. As an attorney, Ambassador Bolton was in private practice in Washington, DC from 1974 to 2018, except when he was in government service. He graduated with a BA, summa cum laude, from Yale College and received his JD from Yale Law School. We believe Mr. Bolton is qualified to serve on our board of directors based on his extensive experience in the defense, energy, and aerospace markets and his leadership expertise.

There is no arrangement or understanding between Mr. Bolton and any other person pursuant to which he was appointed as a director of the Company. Additionally, there is no transaction between Mr. Bolton and the Company that would require disclosure under Item 404(a) of Regulation S-K. The Board has determined that Mr. Bolton is independent under the listing standards of the NYSE American LLC. As a non-employee director, Mr. Bolton will receive the standard compensation and equity awards paid to non-employee directors of the Company. Director compensation is described under "Director Compensation" in the Company's definitive proxy statement on Schedule 14A filed with the Securities and Exchange Commission on April 21, 2023. The Company will also enter into an indemnity agreement with Mr. Bolton in the same form as its standard form of indemnity agreement with its other directors. The description of Mr. Bolton's indemnification agreement is qualified in its entirety by the full text of the form of indemnification agreement, which is attached as [Exhibit 10.27](#) to the Company's Form 8-K filed on February 6, 2023.

Item 7.01 Regulation FD Disclosure.

On August 23, 2023, the Company issued a press release entitled "NUBURU Appoints John Bolton to its Board of Directors," which is attached hereto as Exhibit 99.1.

The information furnished in this Item 7.01 and Exhibit 99.1 of this Current Report on Form 8-K shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in such a filing.

NUBURU Appoints John Bolton to its Board of Directors

Former National Security Advisor Joins NUBURU's Board of Directors to Bolster Strategic and Commercial Development with Vast Defense Expertise

CENTENNIAL, Colo., August 23, 2023 -- NUBURU, Inc. (“NUBURU” or the “Company”) (NYSE American: BURU), a leading innovator in high-power and high-brightness industrial blue laser technology, today announced the appointment of former National Security Advisor John Bolton to its board of directors, effective August 22, 2023. In his new position, Bolton will provide valuable strategic insight to NUBURU to support the Company’s efforts to expand its presence in the defense, energy, and aerospace markets as well as provide guidance on the impact of international relations and regulations on NUBURU’s business and customer base.

John Bolton is an attorney, diplomat, consultant and political commentator. He was the National Security Advisor to former President Donald Trump and served as the United States Ambassador to the United Nations from 2005 to 2006. He has spent many years of his career in public service and held high-level positions in the Administrations of Presidents Ronald Reagan, George H. W. Bush and George W. Bush. As an attorney, Ambassador Bolton was in private practice in Washington, DC from 1974 to 2018, except when he was in government service. He graduated with a BA, summa cum laude, from Yale College and received his JD from Yale Law School.

“John’s appointment is an invaluable addition to our board as we expand NUBURU’s presence in the energy and defense industries,” said Mark Zediker, NUBURU’s co-founder, CEO and director. “Through his extensive defense and diplomacy background, John will contribute key insights to inform NUBURU’s strategic presence in the defense and energy markets. We look forward to his many valuable contributions to come.”

Commenting on his appointment, Bolton said: “NUBURU’s innovative technology is at the forefront of disrupting the metal machining and processing industry with its high-performance blue lasers. I see great potential for this innovative and proven technology to become further embedded in the energy and defense industries, and I look forward to helping establish the company as a key player in this sector.”

About NUBURU

Founded in 2015, NUBURU, Inc. (NYSEAM: BURU) is a developer and manufacturer of industrial blue lasers that leverage fundamental physics and their high-brightness, high-power design to produce faster, higher quality welds and parts than current lasers can provide in laser welding and additive manufacturing of copper, gold, aluminum and other industrially important metals. NUBURU’s industrial blue lasers produce minimal to defect-free welds that are up to eight times faster than the traditional approaches — all with the flexibility inherent to laser processing.
